In an age when individuality is stressed, the need for unity among people is often neglected. During this year at NCHS, faculty and students alike have worked to attain a higher degree of amity in an effort to achieve a more perfect form of harmony.

Administration

Mr. Henry D. Conner
Superintendent

Nelson County High School has the unique characteristic of being located in a rural environment where the administrative staff have interests in the county itself as well as in the school. Such a common ground of concern enables each staff member to share a professional as well as a social relationship. This atmosphere nourishes a warmth and mutual concern which permeates from the school board, to school administration, to the faculty, to the classroom. While Nelson County High School is proud of the credentials of the professional educators and administrative staff, it has great deference for their personal characters.

Mr. William Kauffman, Director of Transportation
Mrs. Francis Walker, Visiting Teacher
Mr. Gary Helbert, General Supervisor

Administration

Mr. William J. Bloomer
Principal
Virginia Polytechnic Institute B.S., University of Virginia M.Ed.

Administration

Mr. Sidney Faucette
Assistant Principal
High Point College A.B.,
University of Virginia M.Ed.

Mrs. Barbara Quick
Secretary

Mrs. Doris Evans
Secretary

Guidance

Mrs. Lillian Coleman
University of Virginia B.S., M.Ed.

Mr. DeForest Ingersoll
Duke University B.A.
University of Virginia M. Ed.

Mrs. Catherine Whitehead
Alabama College B.A.
University of Virginia M. Ed.

Professional counseling is most essential to the comprehensive task of educating the individual. The primary objective of the Guidance Department is to enable the student to grasp an understanding of himself and his place in the world. The fulfillment of this basic need enables the student to confidently pursue his education, his occupation, and finally, to achieve harmony within the self.

Business

Mrs. Shirley Wright
Longwood College B.S.

The Business Department endeavors to train the student vocationally and practically, in addition to supplementing their general education. The courses offered may be combined to give students the practice needed to operate successfully in a general business office. Taken separately, they help increase a student's knowledge of the business world.

Mrs. Clara Shelton
Bennett College B.A.

Mrs. Catherine Lincoln
Madison College B.S.
Longwood College M.S.

Mrs. Mary Roberts
Longwood College B.S.
Virginia Polytechnic Institute M. Ed.

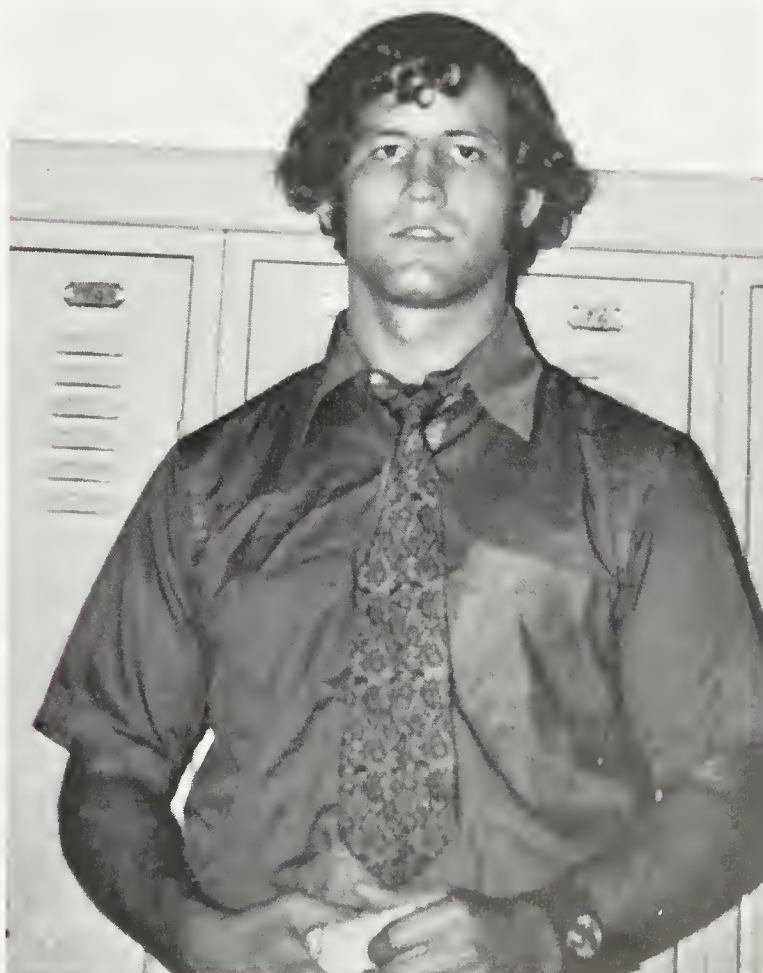

Mrs. Marion Bragg
Lynchburg College B.A.

Foreign Language

Language is the common bond of all men. It gives a personal view of people that can be obtained in no other way. The students of NCHS are encouraged to study foreign languages with this as their goal, thus enriching their lives with a unique form of cultural contact.

Mrs. Caroline Tucker
University of North Carolina B.A.

Mr. Don Drayer
Lynchburg College B.A.

English

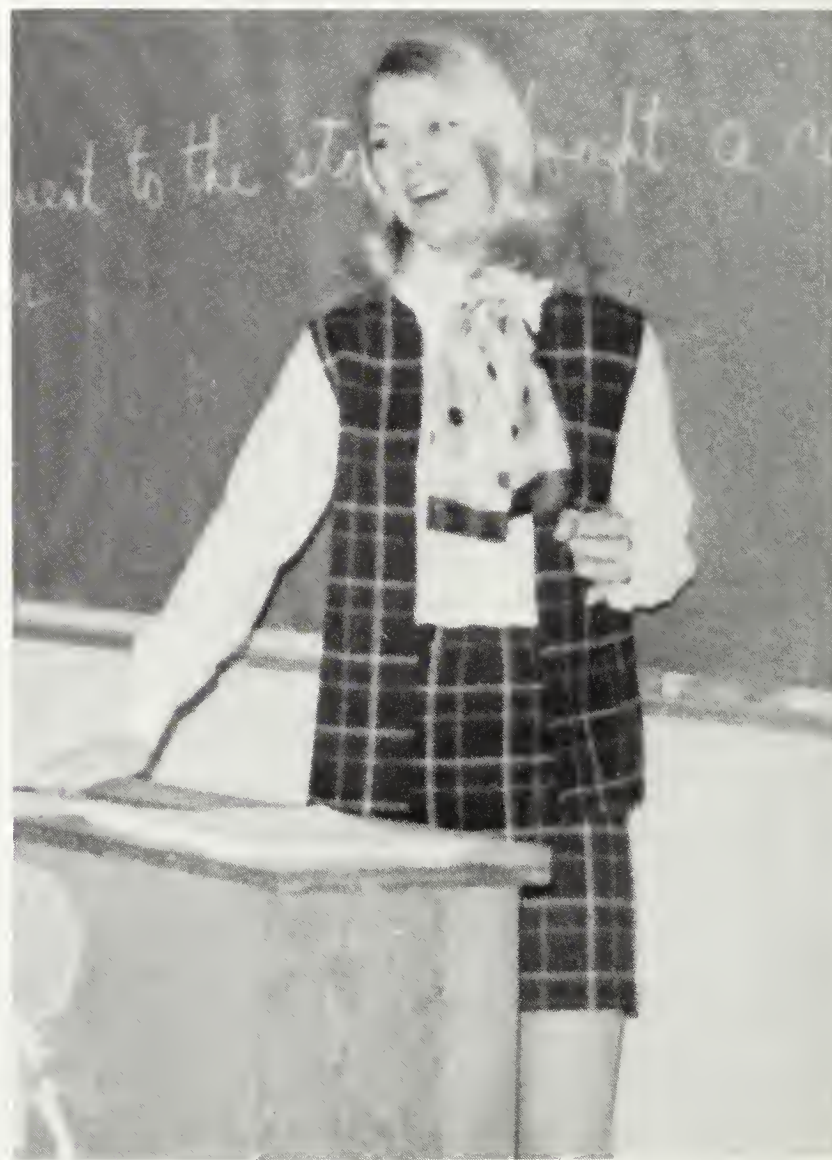

The beginning of the 1971-72 school session introduced major changes in the English department. Students chose the level of English they wished to take. Academic students chose level II and the general studies students, level I. As the year progressed, goals for the English teachers were concentrated on this initial change. Teachers continuously worked on curriculum guides for the various grades and levels in an effort to prepare the student to think for himself and to communicate with others through the written and spoken word.

Mrs. Janet Davis

Fine Arts

Musical and artistic forms of education can not be measured in terms of practicality alone. Not only do they have educational values, they also play a great part in personal enjoyment. Mankind has a need for beauty to ease tensions, to provide recreational experiences, and to stimulate the imagination. The Fine Arts Department realizes this and supplies an opportunity for a unique kind of relaxation while striving to maintain harmony in all areas of the fine arts.

Mrs. Delores Truesdale
Virginia State College B.S.

Mr. Vernon Lewis
West Texas State University B.S.

Miss Lucy Massie
University of Virginia B.S., M.S.

Mrs. Shirley Sullivan
Madison College B.A.

Library

Enrichment of life is the goal of education. The library provides an area where classroom education may be additionally supported. It's main objective is to make academic and recreational material available to students and faculty and to encourage their use.

Special Education

The Special Education Department at Nelson County High School was formed to meet the needs of the students with special learning difficulties. The department has three main objectives: first, to aid the student in developing all aspects of his personality, both as an individual and in society; second, to provide a pre-vocational program that will facilitate the student's transition to adult living; and third, to aid the student in obtaining after-high school occupational opportunities.

Mr. Robert Gosney
University of Richmond B.A.

Science

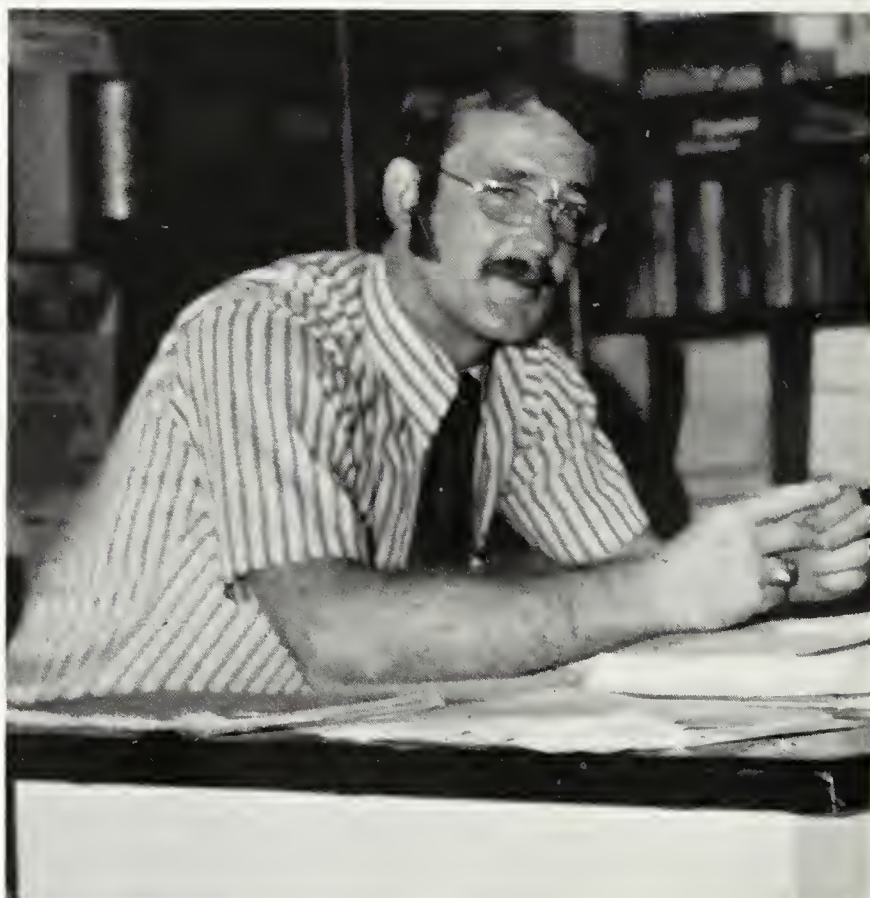

The ultimate goal of science education is to develop the critical thinker, one who thinks clearly, precisely, and efficiently. Individuals should be concerned with the unknown in space as well as the problems existing in our world today. The Science Department establishes an awareness of these problems of our environment and helps the student understand man's place in earth's nature.

Mr. Gary Bugg
Lynchburg College B.S., M. Ed.

Mr. John White
Lynchburg College B.S.

Vocational

The Home Economics Department encourages students to highlight their standard of living with novel as well as practical approaches to daily life. The Agriculture Department teaches basic skills in mechanics, welding, electricity, woodwork, and blueprint reading in order to prepare them for agricultural occupations.

Mrs. Nancy Parr
Radford College B.S.

Mrs. Elma Giles
Radford College B.S.

Mathematics

The Mathematics Department at N.C.H.S. believes in a program that will enable students to make valid contributions to the social and technical progress of modern society. It acquaints the student with the basic skills and understanding of mathematical structures. The main objective of the department is to help develop effective reasoning which enables one to apply mathematics to everyday living.

In Memoriam

John Sherman League

When you think of accomplishing the impossible, striving the hardest for victory, and gaining the respect of everyone, Coach John Sherman League comes to mind.

On September 21, 1918, in Charlestown, West Virginia, John Sherman League began his lifetime of victory. During his high school years and throughout his college career at the University of West Virginia and Shepard College he showed the potential of an outstanding athlete. Soon after his graduation, Sherman League was married to Helen L. Reininger. They were blessed with three children, Charles, William, and Diane. Diane died in 1961 as the result of an automobile accident.

After college, Coach League began his career by coaching at Shenandoah High School where his most prominent victory was his basketball team's State Championship. In 1955, he moved his home to Nelson County and took up teaching in the then new high school where he remained for seventeen years. In twenty-four years of coaching, he coached all four of the major sports. During this span, he led his football teams to five championships, basketball teams to one District, one Regional, and one State Championship, baseball teams to one District Championship and his track teams to sixteen District and three State Championships. In his last year of coaching, Coach League led the Junior Varsity basketball team to their

first District Championship. He was fortunate in that he secured at least one championship in each sport he coached. He was especially noted in 1970 when Nelson's team won the State Championship with the highest total of points ever in a State Track Meet.

Coach League's leadership abilities were recognized beyond the community. Twice he was named Coach of the Year for District IV. He was also selected as Coach of the Year for Central Virginia, an award given by The Daily Progress. In 1966 he served as vice-president and the following year as president of the Virginia High School Coaches Association. In 1967-68 he served on the Board of Directors for the National High School Coaches Association. In 1969, Coach League was honored with the Distinguished Service Award by the Virginia High School League. In 1970, the Lynchburg Area Track and Field Club awarded him with a Distinguished Service Award. In 1971, the Sherman League Award, presented annually at the Seminole District Track Meet, was founded by the Seminole District.

On January 1, 1972, after two years of prolonged illness due to cancer, Coach League passed from our midst but left behind him a trail of memories that will last forever.

During the 1971-72 school year, the Class of '72 reached a critical point in their educational careers. For some, the year was a last lap through formal education. For many, it was the beginning of active preparation for college or more specialized training. But for all, the year was one of traditional high school excitement, and pensive moments, remembering the past five years at NCHS.

Joseph Mayberry Bryant
January 29, 1955 — September 24, 1971

IN MEMORY

Joseph Mayberry Bryant was the son of James and Dorothy Bryant and the brother of Kenneth Wayne and James Dale Bryant. At his young age he possessed a sensitive awareness of life and people. He enjoyed travel because it offered him new friendships and the opportunity to acquaint himself with new places and novel approaches to life. But perhaps his most admirable accomplishment was his simple yet lucid assessment of life: "My hope is that I . . . live a good life because you have . . . but one time to live and that is all."

Freshmen

Organized effort at NCHS is a song reflecting the aspirations of its community, a community in which the students and faculty unselfishly give of themselves in order to unite each member of the school.

The tune at times is constantly changing, at times discordant, yet striving for perfect harmony.

Debate Club

The premise of the Debate Club is that there are two sides to every issue. Through the use of facts, as opposed to opinion, the student learns to express himself in an organized manner. Membership is open to all students. Competition is on the District and State levels.

L to R: L. Morse, B. Allen, M. Napier, P. Vest, D. Couch, J. Wilson, M. Wood, Sponsor Mrs. Sandra Hight.

Forensics

One of NCHS's youngest activities, the Forensics Club, remains active all year with meetings, practice sessions, invitationals, and, ultimately, the District Meet. In recent years, NCHS has also participated in the Annual State Meet.

Radcliff, V. Sprouse, D. Woodson, B. Fitzgerald, D. Kennedy, J. Rodgers, J. W. Bryant, D. Ferguson, B. Mays, K. Rowe, J. Wood.

The Drama Club at NCHS is an organization working as a group for a common goal. One of the main purposes of the club is to acquaint students with the complexities of performing and staging a three-act play. Also, by having club workshops on movement and speech, hopefully, the individual members will improve their personal speaking abilities. This year, for the first time in several years, the Drama Club put on a three-act play entitled Dracula.

Dracula was the highlight of the 1971-72 Drama Club.

The efforts of the Ecology Club were concentrated on three main projects for the year. The club worked together to accomplish ways of cleaning up various areas in Nelson County. In addition, the club observed "Earth Week" and participated in the glass recycling project sponsored by the S.C.A.

We study to save our environment.

This is the French Club?!!!!!!

The French Club that was formed two years ago now has a membership of approximately forty students. The club reflects a continued interest in the French culture which is first introduced in class. Some of the activities include French cuisine, music, pen pals, and fund-raising projects to support the purchase of French magazines.

Literary Magazine

The Literary Magazine was created to encourage the creative abilities of the students at the school by publishing their efforts in original literature. Poetry, short stories, one-act plays, and essays constitute the genres to be considered. Original musical compositions and artwork are also included in the publication.

All entries are screened anonymously by a staff of seven. The works are judged on basis of originality, unity and literary merit.

Future Business Leaders of America is a national organization for high school youth who are enrolled in the business curriculum. The purposes of FBLA are: to develop competent aggressive business leadership and to create more interest and understanding in the intelligent choice of business occupations.

They're not working.

Future Farmers of America

FFA members with sponsors Mr. Harris Puckett and Mr. Curtis Truesdale.

Career identification, selection, and pursuit are important aspects of the Future Farmers of America. In addition, the club gives youth an opportunity to develop their interest in agriculture. Chapter members participate in contests at the federation, district, and state levels. These contests include forestry judging, agriculture mechanics, crops judging, livestock judging, poultry judging, soils judging, tractor driving, and public speaking.

Honest, Mr. Faucette, I was just coming from an FFA meeting!

Future Homemakers of America is the national organization of students studying home economics in junior and senior high schools. The over-all goal of the organization is to help individuals improve personal, family, and community living.

The Nelson County Chapter is emphasizing two themes: "Preparedness, the Key to Opportunity" and "Make Time Work for You" for the year 1971-72.

Keep Virginia Green

KVG is a unique ecological interest at NCHS. Since nature has generously mantled the state of Virginia with undulating hills, covered with an abundance of trees and foliage, members of KVG have shown responsible community interest and environmental consciousness by volunteering to fight forest fires.

Future Nurses of America

The Future Nurses of America help to prepare young girls for their future in professional nursing. The members are made aware of the challenge and the rewarding experience offered through nursing. Through guest speakers, field trips, and films, the members familiarized themselves with the special areas of nursing.

Future Teachers of America

The purposes of the F.T.A. are to enable its members to study and identify the qualities, traits, and aptitudes which are basic to successful teaching, to secure accurate information about the varied career opportunities related to teaching, and to participate in pre-vocational activities such as assisting and observing teachers.

Future Teachers must learn before they can teach.

Honor Society

The National Honor Society consists of students with high standards in leadership, character, service, and scholarship. Projects of the organization were to send Christmas cards to former graduates in the armed services, to arrange the scheduling of the bulletin boards, and to keep the school scrapbook up to date. For the first time, members of the Honor Society appeared on "Klassroom Kwiz." At the time of this writing they have been undefeated twice and are awaiting their third appearance.

Library Club

They're hard at work.

The Library Club consists of student assistants who help in the library. These members, file, type, shelve and label books, stamp out and mend books, and perform other important duties to help the library be more efficient and interesting to the students of the school. During their meetings, the members discuss ways of improving services in the library and ways to broaden the students' learning experiences.

Monogram Club

The purpose of the Monogram Club is to improve the athletic program in the high school. The club consists of the students who have received their monogram letter in athletics. These students have put forth their best efforts for their personal as well as team achievement.

Pep Club

NCHS Pep Club members with Mr. Russ Ingersoll, Sponsor.

The Pep Club actively supports Nelson's teams.

The Pep Club, one of the newest clubs at Nelson, was very busy this year as they were trying to arouse spirit in all the athletic teams and the student body. Not only were they successful but they also displayed to visiting teams Nelson's pride in her sports. This energetic club achieved its goal through putting on skits, displaying posters, and making welcome signs for visiting teams.

Newspaper Staff

The Governors' Gazette, in its second year, has once again become a successful school paper. The newspaper staff has provided the students with colorful commentary as well as comprehensive and accurate reporting. A most important aspect of the newspaper is its soliciting of student opinion as part of its editorial policy.

Annual Staff

During this year, the yearbook staff worked to set down on paper an accurate account of the year's events at school. At first, work slowly progressed but then the staff realized that it wasn't all fun and games as deadlines suddenly popped up from nowhere. After the serious work began, staff members planned the layout, prepared write-ups about classes and clubs and took pictures to present the theme. The staff members learned much by this experience — responsibility, patience, and cooperation.

N.C.H.S. Marching Band

Nelson County High School Governor Band has its school year from August to June. Preparation for football and marching season begins in August. The band appeared for local football games, pre-game and halftime activities for a Washington and Lee University-Center football game in Lexington, and many parades throughout the year.

The Concert band presented concerts at Rockfish and Fleetwood Elementary Schools in addition to Nelson County High. Nelson County's pride, "The Governor Band".

Powerful, forceful, courageous . . . all describe the spirit with which the 1971 Nelson Governor Football squad played. Lead by the new head coach, Herman Allen, the Governor gridmen fought with determination, crushing Buckingham with a 38-6 defeat. The Governors also knew defeat but accepted it with honor. Although young and inexperienced, the Governors possess great potential for future seasons.

Coaches Vernon Wood, Curtis Truesdale, Herman Allen, and George Buzzard.

The mighty 1971 Lieutenant Governors captured the first Junior Varsity District Championship ever for Nelson County.

Head coach, Howard A. West, with co-captains, Mike Timberlake and Perry Coffey, led their JV's to a fantastic 6-1-1 season record.

Also awarded the Sportmanship Trophy, the JV's show great promise as future Varsity Governors.

Co-Captains Mike Timberlake, Kenny Lawhorne, and Hugh Watts.

Cross-Country Track

Kneeling: D. Barber, C. Jackson, R. Rose. Standing: Coach Gary Bugg, W. Napper, L. Bowling, M. Allen, G. Woodson, Coach Eddie Witt.

George Woodson won high honors for NCHS.

The Cross Country Track team had an undefeated season due to a maximum effort exerted by the boys. In competition with AAA schools in the State Meet the team was able to place fifth in the state.

The Indoor Track team, led by Coach Eddie Witt, had another winning season this year with twenty-one wins and three losses. The team won the District Championship and placed third in the state with potential for National Honors for some of its members.

Nelson on the move!!

Girls' Track

Kneeling: J. Awkard, G. Murphy, M. Jacques, A. Irving, L. Miles. Standing: P. Jones, I. Irving, D. Woodson, S. Fleming, P. Scott, D. Morse, Miss Connie Nimmo.

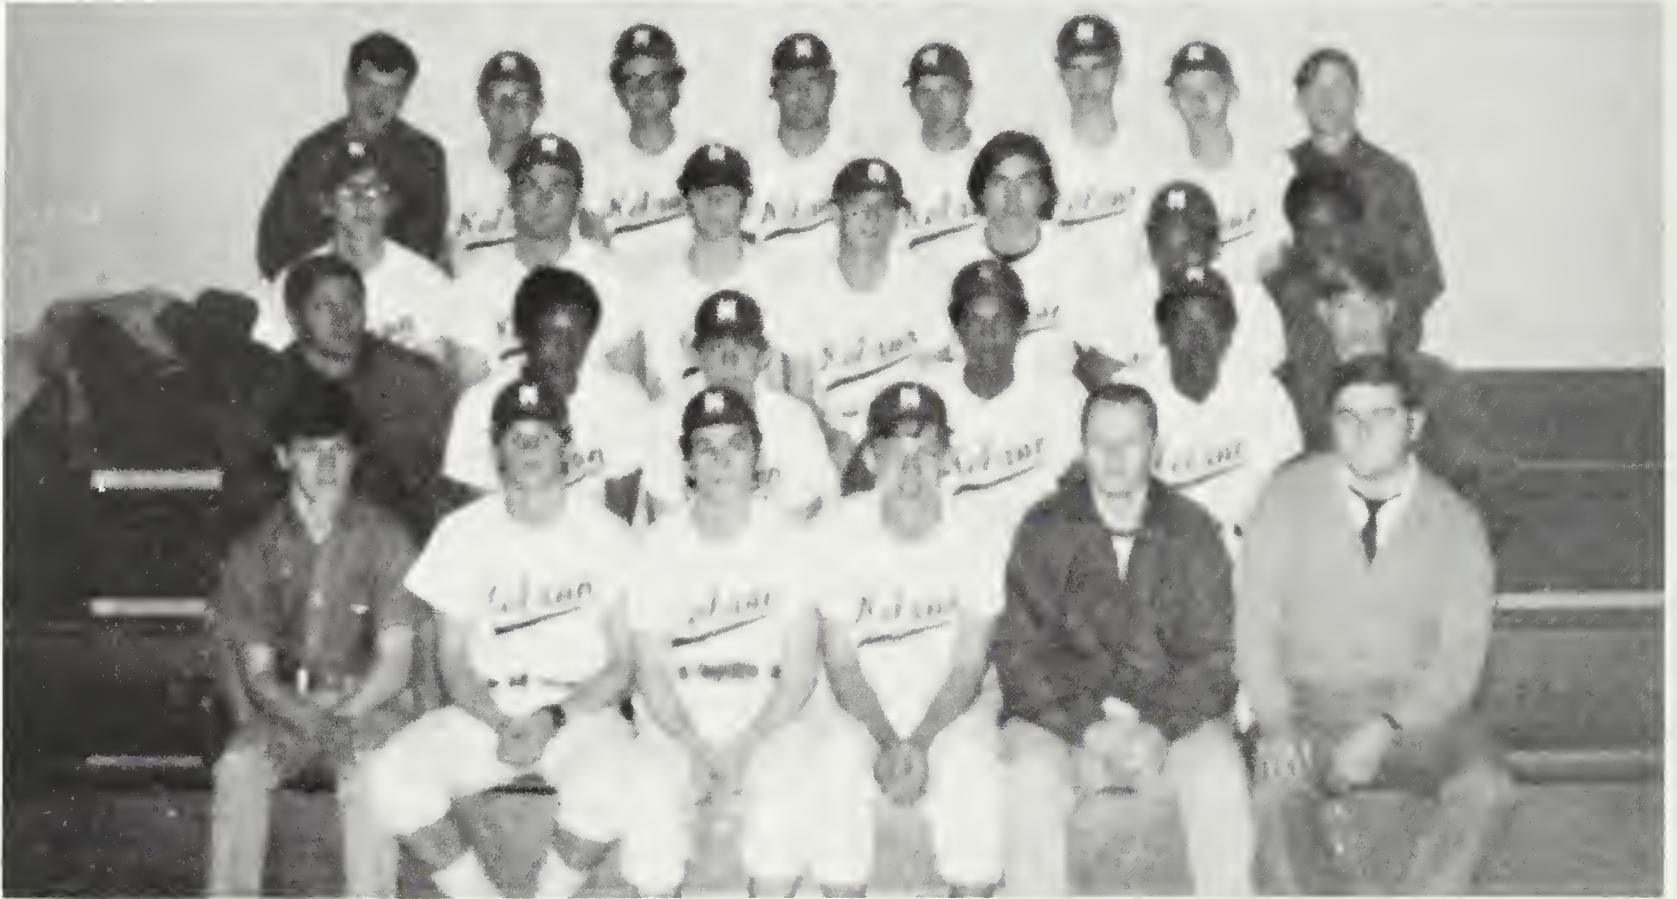

We love our coach!!!

Nelson is the home of the only girls' track team in the Seminole District. Under the coaching of Miss Connie Nimmo, it is anticipated that this year's team will be as good as in previous years even though the girl's star athlete, Elizabeth Harris, graduated last year.

Since Nelson is the only girls' track team in the district, the coach hopes to get other schools to participate.

Last year the girls competed in the State and Regional Track Meets. Nelson captured four first places in the State Meet and four first places in the Regional Meet.

Baseball

The Nelson County High School Baseball team, coached by Howard West, Vernon Wood, and Charles Bennett, anticipates a winning season this year. Although the team lost three starters, the Governors still have the strength for a victorious record.

Governors warm up during practice.

It's my turn to bat!

Although the Girls' Softball team had a 6-4 record last year, Mrs. Greene expects the team will be strengthened by new girls. The team having lost only two girls has experience and ability backing it up this year.

Together, working for the common good. To those who have contributed to the publishing of this yearbook, the annual staff and the students of NCHS express appreciation.

As a result of a united effort, this yearbook has been produced. Hopefully, it reflects the younger citizens desire to subsequently develop within, and contribute to a concerned community.
